Subject:	Foreign creditor and interest holder email addresses

Dawn & Dana, we are in the process of compiling the service list for the Harbor Compliance Disclosure Statement and Plan. Under Rule 2002(p)(1), foreign creditors and interest holders may be served by email and we intend to seek that relief from the court. In pertinent part, the rule provides: "At the request of the United States trustee or a party in interest, or on its own, the court may find that a notice mailed to a creditor with a foreign address within the time these rules prescribe would not give the creditor reasonable notice. The court may then order that the notice be supplemented with notice by other means or that the time prescribed for the notice by mail be extended." To keep things efficient, we would kindly ask that you please provide us with email addresses for **only foreign creditors and interest holders**. Thank you.
